HELLO FEATHERFINS!

Happy April!

The sun is staying longer, feels warmer, and the whole pod is looking ever forward to having some sunshine on our fins!

Did you know Mermaids have to go to school sometimes too? AnneMeridia has been studying so much these past weeks! For her, she will be using that Selkie Magic to don her legs, (And her human name, Jessi) and spend time as a life guard at the Nikiski Pool! She's very excited to help you all be safe while enjoying the pool, and if you see her, be sure to say hello!

Did you hear the news? Jessi, (and her mersona AnneMeridia) was crowned **Miss Mermaid, Alaska** in the Miss Mermaid USA pageant! With her platform of water safety in Alaska, we are super excited to see what doors open for our Mermaid Queen, and urge you to be on the lookout for upcoming events and surprises we have in the works!

Have you seen our display at Cad-re Feeds? There you'll find our hand made soaps and bath bombs. They are also available online at FrostbitFins.com, where you can find our Munchies, too! Are you following us on FB/IG/TikTok? That's where we hold all our giveaways, make announcements, and post photos and videos! There's always something new, so check it out!

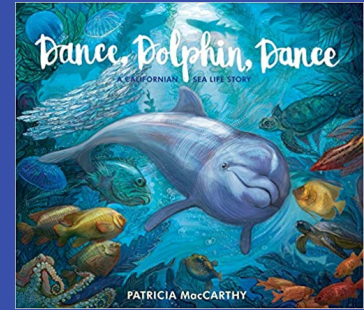

It's been a big month for Frostbit Fins. We are now Mermaid Straw Ambassadors, helping rid the oceans of plastic, one straw/cup/utensil at a time! Visit Mermaidstraw.com and use the code FROSTBITFINS for 15% off. Every little bit helps preserve our oceans for future generations of FeatherFins!

Here's to a Spring and Summer full of fun! Looking forward to seeing you all!

With Mermaid wishes and Starfish kisses,
AnneMeridia and the Frostbit Fins Pod

LET'S READ!

Dance, Dolphin, Dance by Patricia MacCarthy

Out in the ocean, deep down in the kelp forest, Dolphin dances with sea lions. But suddenly he meets a Great White Shark... and then a Killer Whale... Dance, Dolphin, dance for your life! A dramatic underwater chase, set in the Pacific Ocean, with 36 sea creatures and birds to spot, from the Red Octopus and Blue Cannonball Jellyfish to the Crowned Squirrelfish and the Sea Otter. See if you can find them all!

APRIL FIN FACTS WITH *DOLPHINS*

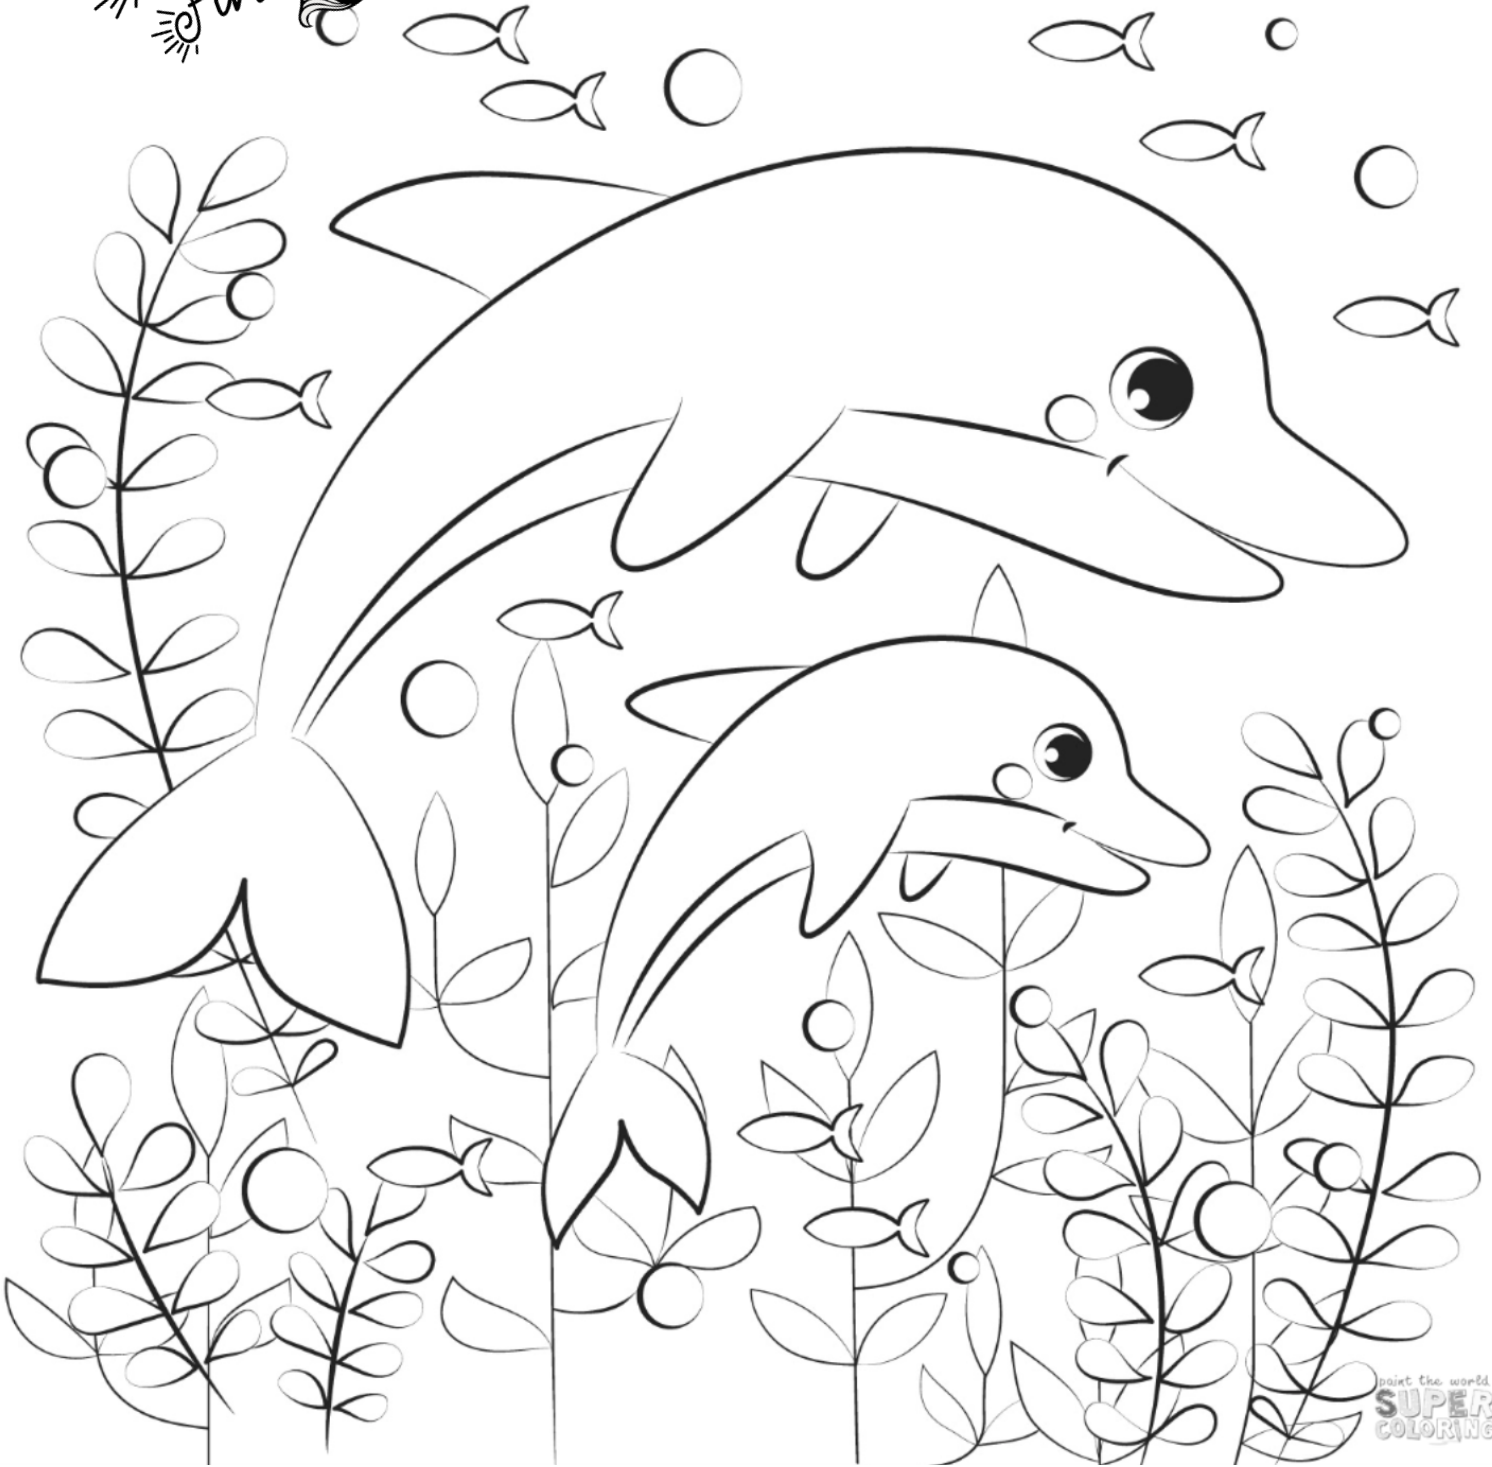

- There are about forty species of dolphins worldwide. Five of those species live in rivers.
- Dolphins use their teeth for hunting, not for chewing
- Instead of breathing through their mouths, dolphins breathe through the blowholes on the top of their heads.
- Dolphins are not fish. They are mammals like we are.
- Dolphins like to blow bubbles and play with them.
- Like mermaids, dolphins travel in pods.
- Dolphins have two stomachs. One stomach is used for food storage and the other is used for digestion.
- Dolphins use echolocation, the use of soundwaves, to communicate with each other by clicking, whistling, and making other sounds. The same technique helps them hunt as well as protect themselves.

Did you make the Guppy Goodies? Are you all finished with the coloring page? Have mom and dad put them on Social Media and tag us @frostbitfins on Facebook and Instagram for a chance to be featured in next months FeatherFinFlyer!

Guppy Goodies

Dolphin Parfaits

Ingredients:

- 2 Bananas
- 1 ½ cups grapes or blueberries
- 1 cup granola
- 1 cup yogurt
- 4 mini chocolate chips or cloves

Directions:

Ask an adult to cut the banana stem down the middle to make the dolphin's smile. Then cut the bottom half off each banana, peeling it and cutting it into slices.

Put mini chocolate chips or cloves near the dolphin's mouth to make its eyes.

Layer yogurt, grapes or blueberries, granola, and banana slices into cups, stopping with a yogurt layer just before the top.

Place banana dolphin in the cup and fill the rest of the top with grapes or blueberries.

Serve.
