HELLO FEATHERFINS!

Hello, Featherfins!

OoohhhOOOOOOOoooooh! Welcome to Spooky Season!

September was FANTASTIC! I missed you all, but we had such a great time at the wedding and on our honeymoon trip! We rode the train all the way to Fairbanks, spent time at the hot springs, and just had a lovely relaxing time! We are refreshed and ready to tackle this fall/winter season of Mermaid Awesomeness!

Be sure to follow us on Instagram and/or Facebook as that is where we will announce our upcoming appearances as they are finalized. And be SURE to check on Fletcher, Jr - he has been up to some shenanigans with local small businesses and his adventures are always something to enjoy!

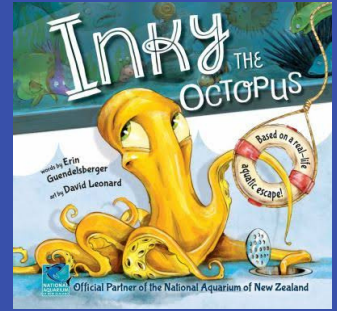

We'll keep this one short and sassy, so that we can show off a couple of our Wedding photos - taken by the lovely Keelyn Heaven! :)

I can't wait to see all of you soon!

with Mermaid wishes and Starfish kisses!
AnneMeridia, and The Frostbit Fins Pod

LET'S READ!

Inky the Octopus by Erin Guendelsberger

Inky the Octopus is based on a real-life aquatic escape!

Follow Inky the octopus as he escapes from the National Aquarium of New Zealand to the ocean!

- 10/28 National First Responders Day
- 10/31 Halloween

OCTOBER FIN FACTS WITH

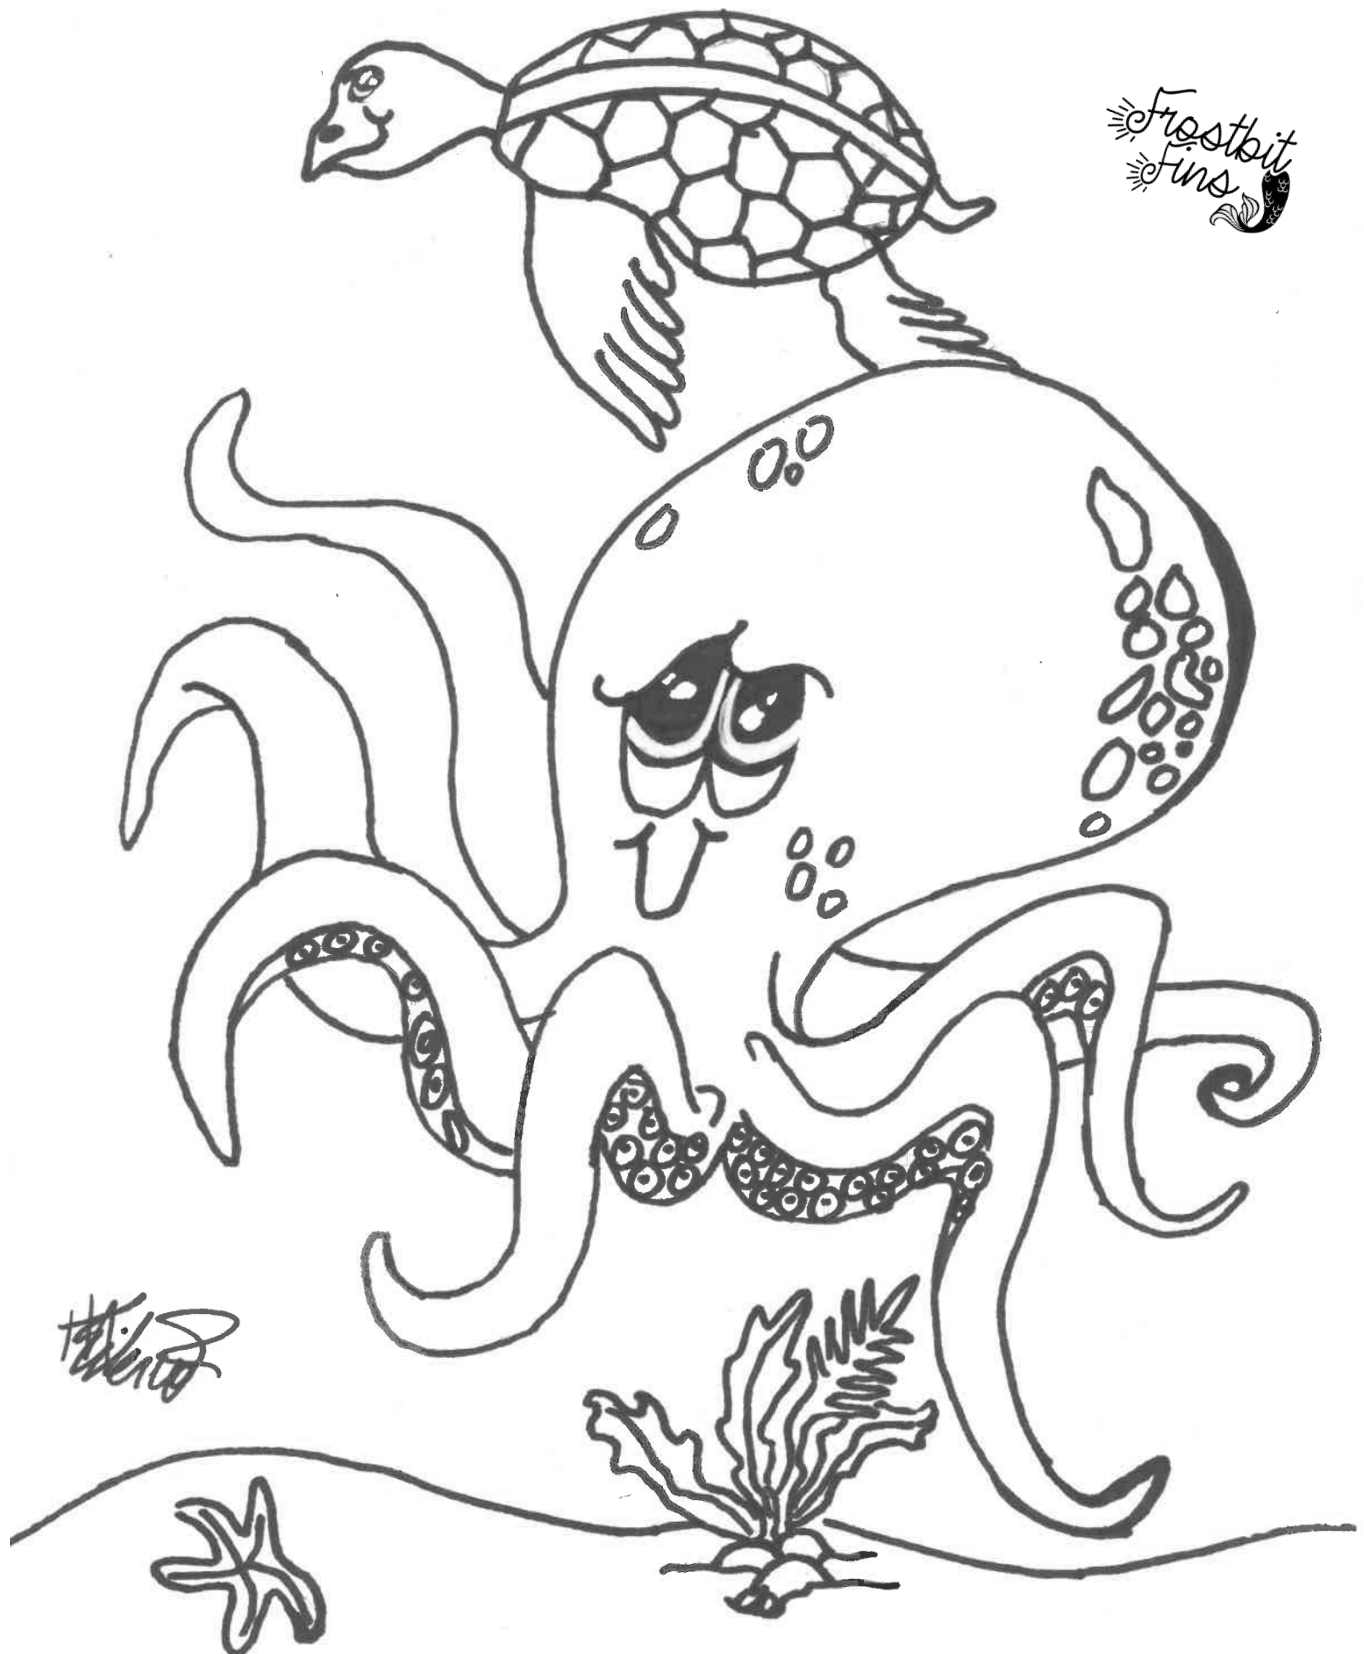

THE OCTOPUS

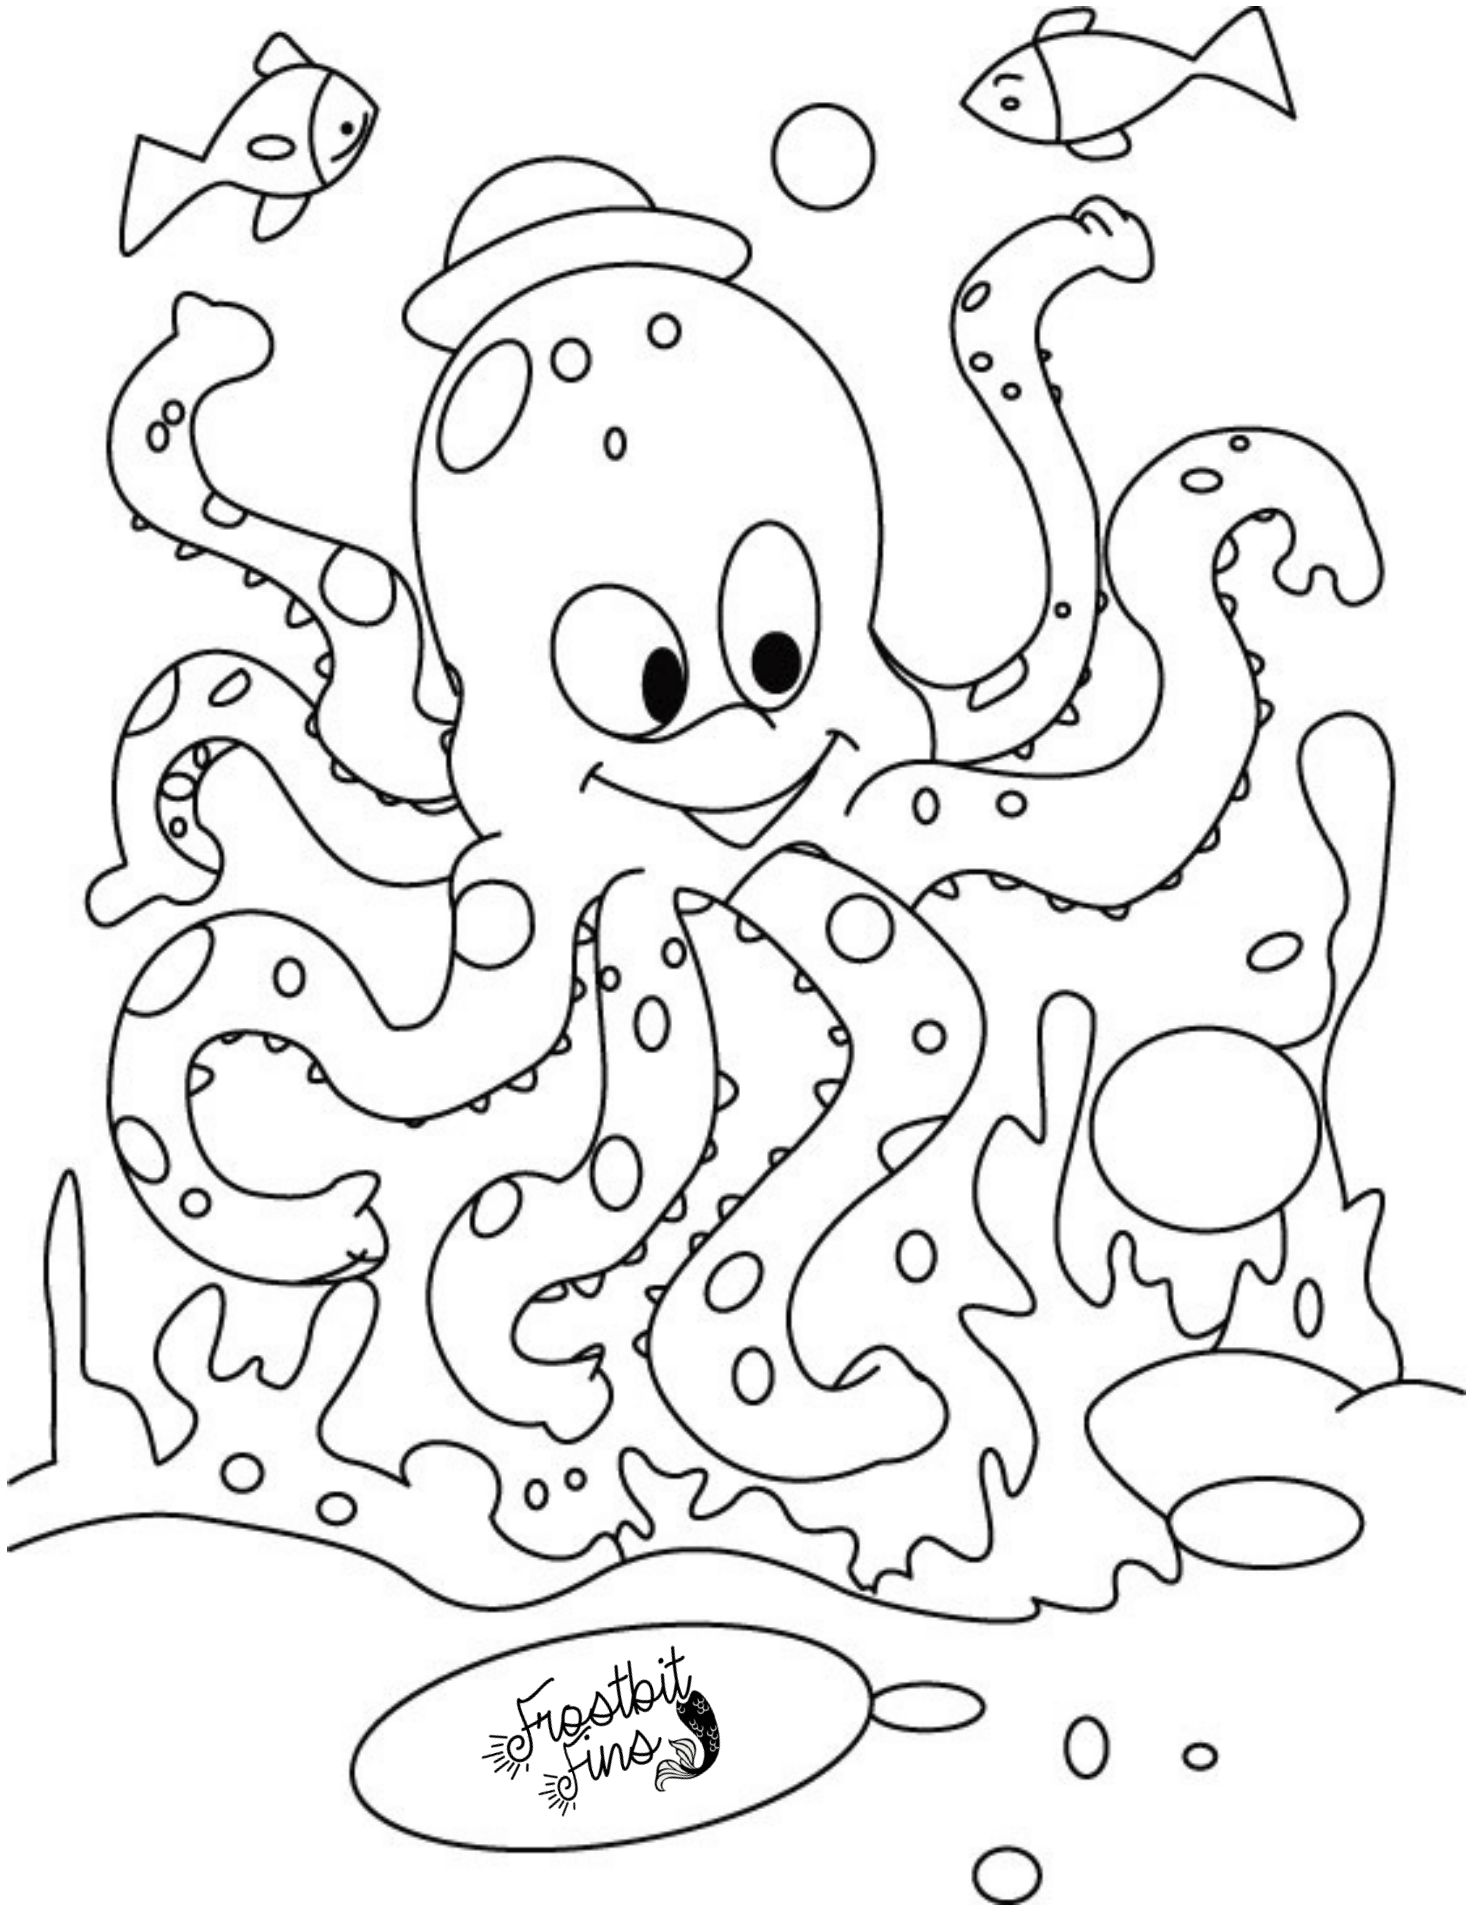

- An octopus has three hearts.
- Octopuses have blue blood.
- There are around 300 species of octopus.
- Octopuses are invertebrates, meaning they have no skeleton.
- An octopus has a hard beak, like a bird's beak, that they use to break open crabs and other shellfish.
- The coconut octopus carry coconut shells on its head to help hide from predators swimming above them.
- The word octopus comes from the Greek word *októpous*, meaning "eight foot". Six of those limbs actually act more like arms while the other two are used more like feet, helping the octopus walk along the seabed.

Fin Funnies!

How do you know if an octopus is alive?
 You check its octo-pulse!

Why is the octopus such a good cook?
 Because he is a chef-alapod!

What do you call a flying octopus?
 An octocopter!

Guppy Goodies

Octopus and Seaweed

Ingredients:

4 hot dogs

1 package beef ramen noodles

5 drops green food coloring, optional

Water

Prepared mustard

An adult to help with the cutting and cooking tasks

Directions:

- In a saucepan, bring 1 ½ cups of water to a boil. Add noodles and the seasoning packet and cook until the noodles are tender.
- Cut each hot dog into eight strips, leaving about 2 inches uncut.
- In another saucepan bring more water to a boil. Place hotdogs in the boiling water and cook until heated through.
- Add food coloring to noodles.
- Serve noodles on plates and top with a hot dog octopus. Add mustard to make the eyes and mouth.
