

The Sea Lion Edition!

The sea is an underwater museum still awaiting its visitors. – Phillip Dirole

a Message from the Mermaid and the Frostbitfins Pod

Welcome to 2022!

Hello my Featherfins!

Did everyone have a fantastic Christmas and New Years celebration? 2021 seems to have gone by in a blur for us here, as the pod was busier than ever! We put out new product lines and had more vendor shows than all our years previous and got to meet SO MANY of all of YOU! Despite it's ups and downs, I think we can consider 2021 an overall success - because of YOU.

We put together a little year in review video for New Years, so be sure to hit up our Facebook or Instagram to check that out and see all the places we were this past year. And now - we're looking forward!

As always, checking our Facebook page @frostbitfins is the best way to keep up with where we'll be next - and when the next Candy restock at our online store will be! Our Marvelous Mermaid Munchies have been a real hit this season and we're excited to continue to meet your munchie needs! Our Goat Mama needs to do some machine maintenance, but we should have more by the end of January. Stay Tuned! Sea Skittles are coming!

Once again, as we close out our 2021 and look forward to a FIN-tastic 2022, we want to say a huge THANK YOU to all who have helped us along the way, and to you - our FeatherFins. You are the reason we do what we do! Swim safe, and we'll see you soon!

With Mermaid wishes and Starfish kisses,
Your Seafriend, AnneMeridia
and the FrostbitFins pod

AnneMermida and the BigGuy, Santa, himself!

My family, in our Christmas Jammies.

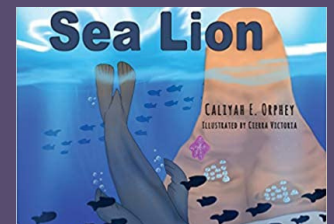

Thank you for being YOU - and letting me be your Miss Mermaid Alaska, 2021!

LET'S READ!

The Fearful Sea Lion

by Caliyah Orphey

The Fearful Sea Lion is a story about bullying and discrimination written from a child's point of view. A sea lion is the victim in this story, just like thousands of children are victims of bullying on a daily basis. Unfortunately, many children will be able to relate to Pablo, the fearful sea lion.

JANUARY FIN FACTS WITH SEA LIONS

- There are 7 species of sea lions: Steller, Australian, South American, New Zealand, Galapagos, Japanese, and California.
- Sea lions cannot smell underwater.
- A baby sea lion is called a pup, a female is called a cow, and a male is called a bull.
- Even though they spend a lot of time in the water, sea lions sleep on land.
- Baby sea lions do not know how to swim when they are born. They learn to swim on their own at a couple of weeks old.
- Sea lions cannot breathe underwater. They are able to hold their breath for 8-20 minutes!
- On land sea lions walk on all four flippers. In the water they use their front flippers for power and their back flippers to steer.
